The University of Nottingham Postgraduate accommodation

www.nottingham.ac.uk/accommodation

As a new student on a postgraduate course starting in September 2012, we guarantee you a room in University-arranged accommodation for one year.*

Make yourself at home

At Nottingham, we want your time with us to be enjoyable and stress-free. We can advise you on accommodation and help you find a place to suit you.

Our accommodation

University-arranged accommodation is either owned by the University or offered by one of the providers we work closely with. Accommodation is situated on or close to campus and within easy travelling distance of the city. Safe and comfortable, all our accommodation has dedicated management teams on site who are there to help whenever you need them.

Postgraduate accommodation is self-catered and there is a choice of different room types to suit your taste and budget, from shared flats to large en suite studios. All our accommodation comes complete with kitchen/diner facilities, and every room is fully furnished with either direct access to the University's network or broadband internet.

Private providers

If you prefer to find your own place to live, you might choose to move into accommodation offered by a private provider. This could be a house owned by a private landlord, or a room on a privately owned site. Popular sites include Cotton Mills, Manor Villages, Opal One and Riverside Point. All are close to University Park and Jubilee Campus and the city. Unipol is a charity that can help you find good quality student accommodation – www.unipol.org.uk/nottingham

*Providing you accept your course place and return your accommodation application by 1 August 2012.
